Synod
2021
2023

For a synodal Church
communion | participation | mission.

Attributed to St. Isidore of Seville (560-636), the *Adsumus Sancte Spiritus* has been traditionally used at Councils and Synods for hundreds of years. This version was specifically designed for the Church's Synodal journey from 2021 to 2023.

Adsumus Sancte Spiritus

We stand before You, Holy Spirit,
as we gather together in Your name.
With You alone to guide us,
make Yourself at home in our hearts.
Teach us the way we must go
and how we are to pursue it.
We are weak and sinful;
do not let us promote disorder.
Do not let ignorance lead us
down the wrong path
nor partiality influence our actions.
Let us find in You our unity
so that we may journey together to eternal life
and not stray from the way of truth
and what is right.
All this we ask of You,
who are at work in every place and time,
in the communion of the Father and the Son,
forever and ever.

Amen.
